W I N E C O

2021 OLD VINE GRENACHE

STYLE *seriously delicious and approachable*

AROMA *musk and savoury herbs*

PALATE *a core of bright satsuma plum and musk with a bunchy, savoury edge and a super crunchy finish with powdery tannins*

DRINK *enjoy it now while young and fresh, although we are pretty excited to watch this baby evolve over time*

FOOD *think pork banh mi or rich salads like a roasted cherry tomato, feta and chickpea couscous salad or summer panzanella*

VINEYARD *Elderton vineyard, Greenock, Barossa Valley*

SOIL *lean soils of red and brown clay mixed with some lighter sandy loams*

SEASON *perfectly slow and steady describes the 2021 vintage, effortless in the ripening period. Frustratingly the Grenache yield was very low due to a combination of heat and wind at flowering.*

WINEMAKING *tiny volumes of Grenache from our 2021 crush meant a 2-tonne bin was our vessel for ferment. Plunged gently throughout fermentation with around 20% whole bunch inclusion. Rested in seasoned French oak for malolactic fermentation and further time on lees.*

MATURATION *8 months in seasoned French oak puncheons (500L), 4 months on lees*

ALC/VOL 14.5%

WINEMAKER COMMENTS *we are super excited about the uniqueness and vibrancy of this wine. Very minimal intervention, but extreme attention to detail, brought this delightful wine to life - Cheers, Jules*
