Winemaking: Fruit for this Pinot Noir is selected exclusively from the most northern part of our Stumpy Gully Estate vineyards. Predominantly MV6 clone, fruit is harvested with a cold soak before a 10-day ferment on skins. Fruit is then pressed to oak Hogsheads. The use of 3–5-year-old Hogsheads allows us to enhance the fruit weight in the palate and leave a soft silky palate and finish.

Further Information: Enjoy with Duck, Mushroom Risotto or Blue Cheese.

Longevity: Up to 6 years.
