The Series

Fish Cage wines are vibrant, fun and an easy escape. We are often asked, "Why is there a fish in the cage?" The wines are expressive and sometimes quirky; just like a fish that wants to be different. Enjoy and have a little fun, Cheers

The Wine

The Fish Cage Cabernet Sauvignon is from the Hilltops region near Boorowa, NSW. The rolling hills of the Great Dividing Range with a rich red loam soil provide a perfect climate of warm days and cold nights to grow fragrant cool climate Cabernet Sauvignon.

Winemaker's Notes

2022 was a warmer vintage in Hilltops this year, allowing for superb maturity of our Cabernet fruit. Vibrant and well matured fruit shows off with fragrant blackcurrant and mulberry fruits and a pallet of long fine-grained tannin

Cured meats, grilled mushrooms, steak, hard cheeses are very easily complimented.
