Curiosities:

This Vermouth is made from Vernaccia di Oristano Riserva, aged for 12 years, and infused with elicriso, Desoleana sage, myrtle leaf, thyme, artemisia, and mastic. Inspired by an ancient Sardinian tradition, it combines rich, nutty flavors with honeyed apricot and a slightly saline finish. With a nod to history, this non-fortified vermouth carries the essence of the island's herbs and aromas. The perfect balance of complexity and savory notes.
