Curiosities:

Servito is a white vermouth made from young Vernaccia wine infused with elicriso, Desoleana sage, myrtle leaf, and senecio serpens. It delivers refreshing mentholated herbs, hints of vanilla, and stone fruit flavors. Inspired by a family story dating back to World War II, it stands on its own with its unique bouquet of Mediterranean scents and flavors. The name "Servito" refers to a high score in Italian poker, signifying that this vermouth is already perfect, just as it is.

Serving Suggestions:

Best served on the rocks with a twist of lemon zest, or with a splash of soda. Also perfect in an Americano Bianco, Negroni Bianco, or Martini Dry.
