

## Giniu Gin

Type: Gin

Bottle Size: 70 cl

Alcohol Content: 40% Vol

Appearance: Transparent, clear

Aroma: Typical of gin, with excellent recalls of Sardinian spontaneous herbs

Taste: Thanks to its savory taste, delicateness, and softness, GINIU is the purest expression of Gin. It embodies the essence of Sardinia with its Mediterranean flavors.

### Curiosities:

GINIU is inspired by Sardinian tradition, reviving an ancient distillation method dating back to the 1940s. Made with 100% fresh, hand-harvested wild Sardinian juniper, it's the purest expression of juniper, with no other botanicals added. The berries, collected by the sea and influenced by the Mistral wind, give GINIU its distinct savory, Mediterranean character. Awarded "Best Italian Gin" by Gamero Rosso.

### Serving Suggestions:

Best enjoyed neat, on the rocks, or in a classic gin and tonic. It's also excellent in a Negroni or Martini for a unique twist on traditional cocktails.
