Curiosities:

Pigskin Silver is a London Dry Gin that embodies maturity and experience. The “Silver” in its name signifies its rich depth, offering a sense of security and peace. Infused with wild fennel, myrtle leaves, juniper, mastic, and Salvia Desoleana sage, it also reveals subtle spicy notes of nutmeg, butter, and vanilla. This gin invites exploration, with each sip offering a unique and refined character.

Serving Suggestions:

Best served neat, on the rocks, or with a classic tonic for a refreshing, smooth experience.
