

Aspide Apertivo Spritz

Type: Aperitif

Bottle Size: 100 cl

Alcohol Content: 11% Vol

Appearance: Intense and bright strawberry-juice color

Aroma: A blend of citrus groves, Mediterranean scrub, smooth cinnamon, with hints of resin and pine nuts

Taste: Lively and tantalizing, with a subtle bitter note and a savory hint. A prolonged aftertaste of blood orange and zest

Curiosities:

Aspide Spritz combines the essence of a classic Venetian aperitif with the flavors of Sardinia. Made with our own oranges and herbs, it captures the island's natural scents and flavors. While perfect for a Spritz with prosecco or spumante, it is also delightful served neat on the rocks or with a splash of soda or tonic water.

Serving Suggestions:

Best served neat in a large glass with plenty of ice and a twist of orange peel, or enjoy it as a classic Spritz.
